

Harvest Hills Families,

Our School Council, volunteer parents and guardians, have been hard at work getting together two spectacular fundraisers that will help everyone get ready for the Winter Holiday festivities! Proceeds from these fundraisers will be going towards the new Technology/STEM Room.

## CHOCOLATES & TREATS

Whether you are looking for some delicious chocolates to have by the fire after a long day tobogganing, or some beautiful indoor flowers to brighten the gloomy winter season, we have it all for you to conveniently shop at home!

Purdy's Chocolatier, a Canadian Chocolatier with a rich history. Founder, Richard Carmon Purdy, started selling homemade chocolates in downtown Vancouver, Canada in 1907. After 100+ years of crafting fine chocolates, you get to know a thing or two about doing it right.

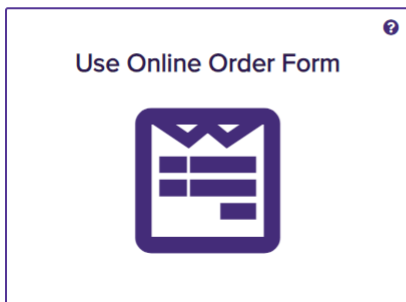

Their chocolates are made with sustainable cocoa. They pay a premium for sustainable cocoa to ensure our farmer partners and co-ops are supported by programs that improve their profit and the livelihoods of their families. It's really quite simple, it's a choice they've made because it's the right choice to make.
